Delivering Trusted Industrial Services Across Saudi Arabia

ABOUT US

Baraka Al Technia Est. is a 100% Saudi-owned company committed to delivering reliable and certified industrial support, calibration, and inspection services across the Kingdom of Saudi Arabia. With years of industry experience and a reputation for precision, we have become a trusted partner for companies seeking excellence in technical services.

Our wide-ranging expertise includes Third Party Inspection, Non-Destructive Testing (NDT), Training & Certification, Engineering Consulting, and Manpower Deployment. We serve diverse sectors with a focus on quality, compliance, and customer satisfaction. At Baraka Al Technia Est., we pride ourselves on our team of qualified professionals, state-of-the-art equipment, and a customer-first approach that ensures every project is handled with care, accuracy, and efficiency.

Whether you're looking for critical inspection services or dependable manpower solutions, we are equipped to support your operations with integrity and technical excellence.

OUR VISION

Baraka Al Technia Est. is committed to achieving excellence by continually enhancing its Quality, Environmental, and Occupational Health & Safety Management Systems. Through the effective implementation of ISO 9001:2015 (QMS), ISO 14001:2015 (EMS), and ISO 45001:2018 (OHSMS), we aim to deliver superior services, ensure regulatory compliance, and exceed customer expectations—while upholding safety, sustainability, and operational integrity at every level.

OUR MISSION

To deliver high-quality industrial and inspection services that exceed client expectations and contribute to the Kingdom's growth through innovation, safety, and sustainability.

“

**Excellence in
Every Detail,
Commitment in
Every Projects**

”
